Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship.
20. It is now on and for the record and in perpetuity that MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has never, at any time provided valid, presentable material evidence to support the claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State.

£5,000,000.00

Total agreed debt as resolution for the above listed criminal offences equals Two Hundred and Twenty Five million pounds GBP

£225,000,000.00

29. In accordance with the traditions of this land and as this is a lien then this will be published in all the necessary places.
30. Ignorance is no defence for committing criminal acts. Considering the position of MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY, MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY should have shown more diligence and accountability in the office. It is our considered opinion, due to the severity of the most grievous agreed criminal offences, that MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY is no longer a fit and proper person to hold any trusted position in service in the office.
31. It can also be considered that since these most grievous agreed criminal offences have been committed in the office of HM LAND REGISTRY which is detrimental to the function and the interests of HM LAND REGISTRY and that MR SIMON HAYES (CLAIMANT) in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has acted in an ultra vires capacity in the position as CEO/CHIEF REGISTRAR for VHM LAND REGISTRY and without the legal authority to do so, thus it can be concluded that MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY could be held culpable for their actions as not in the best interests of HM LAND REGISTRY
32. Let it be known on and for the record that MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has chosen, of their own free will, to stand as surety for a security by the way of a lien to the amount of Two Hundred and Twenty Five million pounds GBP (225,000,000.00 GBP). From Exhibit (C) of this Affidavit, in the House of Ward Affidavit of Truth and Statement of Fact, which is on and for the record, it is noted that the legal tender or fiscal currency, which ever term is used, is representative of confidence, faith, and belief, so this surety for a security by way of a lien is equal to Two Hundred and Twenty Five million pounds GBP (225,000,000.00 GBP) of confidence, faith, and belief.
33. Let it be known on and for the record that confidence, faith, and belief are nothing of any material, physical, or tangible substance or evidence in fact.
34. Let it be known on and for the record that since MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has agreed to this remedy of their own free will, in full knowledge and understanding, without coercion or deception, and without threat of harm, loss, or injury, that MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY stands in honour, and their dignity is restored by their own hand in the community regarding this matter.

Silence creates a binding agreement.

So let it be said.

So let it be written.

So let it be done.

It is a Maxim of the rule of law that he who makes a claim also carries the obligation by way of the fact that a claim has been made to present as material evidence, the material and factual substance of that claim. We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, a known criminal offence that is chargeable.

We would also draw to the attention of MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY the Baron David Ward Affidavit, served upon every MP in the office of HM Parliament Corporation/State. This is a formal and legal process where, when left rebutted on a point by point basis leads to a formal, legal agreement in fact and law and we shall refer to it in detail from hereonin. The self intituled MPs who are employees of a private corporation, were served the Affidavit again—in October 2022—without rebuttal. The link to the public notices is given here: https://justpaste.it/MP_SECURITISED_LIENS And <https://tinyurl.com/BIT-LY-LINKS-LIENS-UptoDate>

We have also noted and it is fact, that a Chief Executive Officer is culpable and liable for the activities of the staff of that corporation which is why we write to you SIMON HAYES.

There is established a clear and noted obligation of service for MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid and presentable material evidence to support the claims being made.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents as presentable, material fact before you brought your charges or made your claims. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.

What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward un rebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens against you without most importantly any rebuttal and to this day not one piece of evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT.

We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance.

Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism

From Exhibit (C)—The Material evidence of the FACTS.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

<https://www.judiciary.uk/wp-content/uploads/JCO/Documents/Speeches/beatsonj040608.pdf>

As the office of the Judiciary is nothing more than a private commercial and built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act, s.15—action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between ‘the parties’ including between the Corporation/State of HM Government plc and HM LAND REGISTRY.

2. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 138, 105, 106 and 107—nothing in this Act contained shall entitle any Person to refuse to make a complete Discovery by Answer to any Bill in Equity, or to answer any Question or Interrogatory in any Civil Proceeding, in any Court of Law or Equity and that you had these exemptions as presentable, material fact before you brought your charges or made your claims. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we cite the 1677 Statutes of Fraud Act, Sir John Stuart and we cite Lord Denning 1954 *Lazarus v. Beazley* and we refer you again to the Facts including the UK 2006 Fraud Act, Part 35, section 2—FRAUD by ABUSE of POSITION (1) A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption from the 1677 Statutes of Frauds Act with a grant of Power of Attorney or contract for the trespass not declared in signed writing—176 Anno vicefimo nono...or any uncertain Interest of, in, to, or out of any Messuages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ; And of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability ; MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding

terrorism. This action would also create a liability against us.

MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for the bill there arises a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment under threats contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882.
<http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of ‘contractual obligations being a non-judicial matter.

UTTERING’ as act(s) contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony.

4. We have noted a claim of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of land to be made by signed writing . MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company— (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b)the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding Mrs Yvonne Hobbs in contempt in a civil matter.

Whilst we bring these your acts contra the Statures of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities

permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

Our Ref}HOH—SIMON HAYES HM LAND REGISTRY CEO/CHIEF REGISTRAR—HOHO853

Dear MR SIMON HAYES,

We have noted as of this day the 28 January 2024 that there has been no legal response to our previous correspondence dated the 7 January 2024, 14 January 2024 and 21 January 2024 respectively. There is now a formal agreement due to the absence of any valid material legal evidence.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You MR SIMON HAYES (CLAIMANT) CEO/CHIEF REGISTRAR have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

It is a maxim of the rule of law that whomsoever brings a claim has the obligation to provide the material substance of that claim, else the claim is fraudulent in nature which is fraud by Misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act **in terrorem**, a wilful and belligerent act of terrorism.

There is therefore a formal legal requirement for MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to present the valid material evidence to the following effect.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents as presentable, material fact before you brought your charges or made your claims. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013.
Which is a case at court tribunal undertaken by recognised due process.

It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed.
What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can

be brought.

It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We have challenged all the Presumptions of Law. We have since obtained Securitized liens against you without most importantly any rebuttal and to this day not one piece of evidence of Corporate/State authority of Us has been presented.

We repeat, We formally challenge all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism

From Exhibit (C)—The Material evidence of the FACTS.

It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.

<https://www.judiciary.uk/wp-content/uploads/JCO/Documents/Speeches/beatsonj040608.pdf>

As the office of the Judiciary is nothing more than a private commercial and built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government.

Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act,s.1,5-action taken for the benefit of a proscribed organisation It is evident from the omissions that there is no wet-ink signed contract between ‘the parties’ including between the Corporation/State of HM Government plc and HM LAND REGISTRY.

2. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 138, 105, 106 and 107—nothing in this Act contained shall entitle any Person to refuse to make a complete Discovery by Answer to any Bill in Equity, or to answer any Question or Interrogatory in any Civil Proceeding, in any Court of Law or Equity and that you had these exemptions as presentable, material fact before you brought your charges or made your claims. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of

CEO/CHIEF REGISTRAR for HM LAND RE-evidence to support this claim.

GISTRY to provide the valid, presentable material

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort us, we cite the 1677 Statutes of Fraud Act, Sir John Stuart and we cite Lord Denning 1954 Lazarus v. Beazley and we refer you again to the Facts including the }UK 2006 Fraud Act, Part 35, section 2--FRAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

3. We have noted a claim of exemption from the 1677 Statutes of Frauds Act with a grant of Power of Attorney or contract for the trespass not declared in signed writing—176 Anno vicefimo nono...or any uncertain Interest of, in, to, or out of any Mes-suages, Manors, Lands, Tenements or hereditaments made or created by Libery and Seisin onely, or by parole, and not put in Writing, and Signed by the parties to making or creating the same, or their Agents thereunto lawfully authorized by Writing, shall have the force and effect of Leases, or Estates at Will only, and shall not either in Law or Equity be deemed or taken to have any other or greater force or effect ;
And of exemption—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability ; MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

We now refer you to Exhibit (A) of the Affidavit which defines that profiteering contravenes the UK 2006 Fraud Act. We should also point out to you that it is a direct contravention of the UK 2000 Terrorism Act, s.15 Fund raising is an offence if a person invites another to provide money or other property and intends that it should be used for the purposes of terrorism. Insisting or demanding payment without a pre existing commercial arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity. We are not in the habit of knowingly conspiring to fraud or knowingly funding terrorism. This action would also create a liability against us.

MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has made claim/demand of indebtedness/for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill for the bill there arises a direct violation of the 1882 Bills of Exchange Act. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment under threats contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882.
<http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

A claim of 'contractual obligations being a non-judicial matter.

UTTERING' as act(s) contra the 1861 Forgery Act—Whosoever, without lawful authority or excuse (the proof whereof shall lie on the party accused), shall in the name of any other person acknowledge any recognizance or bail, or any cognovit, actionem, or judgment, or any deed or other instrument, before any court, judge, or other person lawfully authorized in that behalf, shall be guilty of felony.

4. We have noted a claim of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2—Contracts for sale etc. of land to be made by signed writing . MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company —(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions.

(2) A document is validly executed by a company by two authorised signatories, or (b) by a director who attests the signature. (4) A document

expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b) the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a) the person making the representation, or (b) any other person.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force ***in terrorem***.

5. We have noted a claim of exemption from the UK 2006 Companies Act, including section 44, the Execution of documents ; . MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.
6. We have noted a claim of exemption under UK Public General Acts—from the UK 2006 Fraud Act, including sections 2--Failing to disclose information ; And 4--Abuse of position MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

By failing to disclose all information including that which shews facts contra to your claims and by failing to supply information under Subject Access Requests, these acts, for omission is still an act, brings in to force the UK 2006 Fraud Act, Part 35, section 3--Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information —(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss.

7. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 138, 106 107 and 105— If in an Proceeding to obtain the Registration of an Land or any Land Certificate or Certificate of Title, or otherwise in any Transaction relating to Land which is or is to be put upon the Registry, any Person acting either as Principal or Agent shall, knowingly and with Intent to deceive, make or assist or join in or be privy to the making of any material false Statement or Representation, or suppress, conceal, or assist or join in or be privy to the suppressing, withholding, or concealing from any Judge, or the Registrar, or any Person employed by or assisting the Registrar, any material Document, Fact, or Matter of Information, every Person so acting shall be deemed to be guilty of a Misdemeanor... The Act or Thing done or obtained by means of such Fraud or Falsehood shall be null and void to all Intents and Purposes : . MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

We cite the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b) the person making it knows that it is, or might be, untrue or misleading. (3)“Representation” means any representation as to fact or law, including a representation as to the state of mind of—(a) the person making the representation, or (b) any other person.

8. We have noted a claim of exemption under UK Public General Acts—1862 Conveyance of Real Estates Act not least sections 105, 106 107 and 138—If any Person fraudulently procures, assists in fraudulently procuring, or is privy to the fraudulent Procurement of any Order of the Court of Chancery in relation to registered Land, or fraudulently procures, assists in fraudulently procuring, or is privy to the fraudulent Procurement of the Entry on the Register of any Caveat or Notice of a Charge, or of the Erasure from the Register or Alteration on the Register of any Caveator Notice of a Charge, such Person shall be deemed to be guilty of a Misdemeanor ;and any Order procured by Fraud, and any Act consequent on such Order, and any Entry, Erasure, or Alteration so made by Fraud, shall be void as between all Parties or Privies to such Fraud including concealment of any Agreement, Or any collateral agreement Or promise Or Contract including for Sale of Land, of an accounting ledger showing detail of a Contract/Agreement/Obligation, of mutual consideration shewn, all wet-ink signed to include an Outstanding balance, balance due, Bills raised, outstanding, missed payments made, owed on your account, arrears —for us to peruse and rebut. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.
9. We have noted a claim That the HM Courts & Tribunal Services Corporation/State is not inferior to or one sub-office of HM Government plc ; And that the statement by the Hon. Sir Jack Beatson FBA, at that time the head of the judiciary, was false, in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the

relationship. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the LAND REGISTRY to provide the valid,

tion of CEO/CHIEF REGISTRAR for HM LAND position of CEO/CHIEF REGISTRAR for HM presentable material evidence to support this claim.

10. We have noted a claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting Restrictions further prevent a judge from holding Mrs Yvonne Hobbs in contempt in a civil matter.

11. We have noted a claim of right to act in contempt of court to bias to the detriment of MRS YVONNE HOBBS. MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY has an obligation of service in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY to provide the valid, presentable material evidence to support this claim.

Whilst we bring these your acts contra the Statutes of your corporation and the corporation/state of HM Government to your attention We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

Failure to provide the valid presentable, material evidence to support the above listed claims made by MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY in the next SEVEN (7) days will enter MR SIMON HAYES in the position of CEO/CHIEF REGISTRAR for HM LAND REGISTRY in to a lasting tacit agreement through acquiescence to the following effect:

These are very serious crimes MR SIMON HAYES (CLAIMANT) and under current state legislation there is a cumulative period of incarceration in excess of 150 years' incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. There is however an alternative and recognised process as suitable remedy.

As there is now an agreement between the parties by way of lasting tacit agreement through acquiescence, as you have already agreed to the crime then we elect to charge you under this agreement. As the crime was committed against Us then we reserve the right to choose the remedy for these crimes.

Where there is a crime then there is a requirement for a remedy otherwise the crime goes unresolved. As we now have an obligation to bring this crime to resolution we therefore are giving MR SIMON HAYES (CLAIMANT) an opportunity to resolve.

This may be viewed to be an excessive action to take as a remedy but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. The Bank of England note GBP is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance. So is this an excessive action where there is no monetary value. <http://bit.ly/1WV48P>
No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It could be said that to take this action is to destabilise the economy. WHAT economy? The destabilization of the economy was done generations ago when the government licensed fraudulent Banking Practice—by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves “Are we committing Fraud” Our response to this was. “Is there full disclosure?” YES. “Is there an agreement between the parties as a result of that disclosure?” YES. “Is there any injury loss or harm?” NO. Then there is no fraud.

Are we destabilising Government? See above. Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MR SIMON HAYES (CLAIMANT) we have expressed the criminal offences and there is an obligation to resolve. MR SIMON HAYES (CLAIMANT) is either by wilful intent or ignorance from this day forward is not a fit and proper person to be in a position of trust. Ignorance of the law is no defence.

MR SIMON HAYES (CLAIMANT) You have seven (7) days to make reparation for your criminal offences. Seven (7) days after that there will be a legal notice of default. Seven (7) days after that there will be a security by way of a lien.

We await your response. Silence creates a tacit and binding agreement through acquiescence.
No Assured Value. No Liability. No Errors and Omissions Accepted.

Without ill will or vexation.
